Services for Schools

School Partnerships, Literacy Support & Supply Teaching

School-Based English & Literacy Programmes

SoundBloom Academy works with kindergartens, primary and secondary schools to provide:

- Phonics and literacy development
- English language enrichment
- Reading and spelling intervention
- Curriculum planning and assessment support
- Teacher professional development workshops

School-Based Teaching:
From HK$800 per hour

Programme packages and institutional services are quoted according to each school's requirements.

Supply & Cover Teaching Services

Available for Primary and Secondary Schools Across Hong Kong

- Daily and short-term supply teaching
- Temporary NET and English teacher replacement
- Primary and secondary English lessons
- Phonics and literacy support
- Examination preparation and classroom teaching
- Longer-term cover arrangements, subject to availability

Teaching is provided by a Hong Kong registered teacher with over 10 years of international experience, an MA TESOL, a postgraduate teaching qualification and previous NET Scheme experience.

Fees are available upon enquiry and depend on the duration and responsibilities of each assignment.

Primary & Secondary | **Flexible Short-Term Cover** | **Professional School Support**
